

# Springfield Symphony Orchestra & Chorale Directions to Springfield High School (SHS) 701 E. Home Rd. Springfield, OH 45503

While the official SHS address is on E. Home Rd., most folks access it via S. Kensington Pl. off of N. Limestone St. (Rt 72 through town). If you are coming from out of town and want to use Google maps or your GPS to route it, you can “trick” these programs by entering 300 S. Kensington Pl as the address, and it will take you down the correct road as shown below by the red arrow.  
(Yes, everything *does* have to be rocket science...)

Once you are at the high school, you will see the main front doors to the building. To the right of those doors, past a set of windows, is another entrance that will actually take you directly into the rehearsal rooms. There will be signage outside to direct you.
